OBJECTIVE

Develop software for the worlds best companies and continue to grow as a Software Engineer along the way. Never saying "no, we can't make that happen" in the software industry is a pride of mine as a developer. I mean, lets face it, Software can do anything we can dream up and build.

My Objective is to obtain a position in a company that will allow me to grow as an engineer. A company that allows me to move up and gain experience within the company.
